Terms of Service

Last updated August 13, 2026

Welcome, and thank you for your interest in Anysphere, Inc. (“**Anysphere**,” “**we**,” or “**us**”), makers of the Cursor software platform. These Terms of Service (“**Terms**”) govern your access to and use of Anysphere's

software, platform, APIs, Documentation, and related tools, including the website www.cursor.com, and all related software made available by Anysphere to build, deploy, host, and manage software projects (collectively, the "**Service**"). By using the Service, you agree to these Terms including our Acceptable Use Policy.

Please also read our Privacy Policy, which explains how we collect, use, disclose, and process personal data.

Please also carefully read the sections below regarding Limitation of Liability and Dispute Resolution, which affect your rights.

If you are using the Service as part of your work for a company or organization that has a Master Services Agreement ("**MSA**") with Anysphere, your use of the Service is governed by that MSA.

If you are entering into these Terms on behalf of an entity, you represent that you have the legal authority to bind that entity.

1. Access and Use

1.1. Provision of Access. Anysphere is an applied research company working on automating coding. The Service offers a suite of coding tools driven by machine learning to help developers write code more easily and efficiently and can provide suggested code, outputs or other functions. Subject to your compliance with these Terms, Anysphere grants you a limited right to access and use the Service.

1.2. Content. You may provide inputs to the Service ("**Inputs**") and receive code, outputs, or other functions based on the Inputs provided by you (collectively, "**Suggestions**") (Inputs and Suggestions are collectively "**Content**"). We may use Content to provide the Service, comply with applicable law, enforce our terms and policies, and keep the Service safe. By submitting Inputs to the Service, you represent and warrant that you have all rights, licenses, and permissions that are necessary for us to process the Inputs under these Terms and to provide the Service to you.

1.3. Model Training. ANYSPHERE WILL NOT USE CONTENT TO TRAIN, OR ALLOW ANY THIRD PARTY TO TRAIN, ANY AI MODELS, UNLESS YOU'VE EXPLICITLY AGREED TO THE USE OF CONTENT FOR TRAINING. You can find instructions in the Service for how to manage your preferences regarding the use of Inputs and Suggestions for training.

1.4. Limitations for Suggestions. You acknowledge that Suggestions are generated automatically by machine learning technology and may be similar to or the same as Suggestions provided to other customers, and no rights to any Suggestions generated, provided, or returned by the Service for or to other customers are granted to you under these Terms. Further, you acknowledge that there are numerous limitations that apply with respect to Suggestions provided by large language and other AI models (each an **"AI Model"**), including that (i) Suggestions may contain errors or misleading information, (ii) AI Models are based on predefined rules and algorithms that lack the ability to think creatively and come up with new ideas and can result in repetitive or formulaic content, (iii) AI Models can struggle with understanding the nuances of language, including slang, idioms, and cultural references, (iv) AI Models can struggle with complex tasks that require reasoning, judgment and decision-making, and (v) data used to train AI models may be of poor quality or biased. You agree that you are responsible for evaluating, and bearing all risks associated with, the use of any Suggestions, including any reliance on the accuracy, completeness, or usefulness of Suggestions.

1.5. Use Restrictions. Except and solely to the extent such a restriction is impermissible under applicable law, you may not: (i) reverse engineer, disassemble, decompile, decode, or otherwise attempt to derive or gain access to the source code, object code or underlying structure of the Service; (ii) reproduce, modify, translate, or create derivative works of the Service; (iii) rent, lease, lend, or sell the Service; (iv) remove any proprietary notices from the Service; (v) use the Service or any Suggestions to develop or train a model that is competitive with the Service, or engage in model extraction or theft attacks; (vi) probe, scan or attempt to penetrate the Service; (vii) provide to any third party the results of any benchmark tests of the Service, unless you include all necessary information for others to replicate the tests; (viii) harvest, scrape, or extract data from the Service; (ix) use the

Service in any manner that infringes, misappropriates, or otherwise violates any third party's intellectual or other rights, or that violates any applicable laws or regulations; (x) send or otherwise provide to Anysphere data or information that is subject to specific protections under applicable laws beyond any requirements that apply to "personal information" or "personal data" generally, such as for illustrative purposes, information that is regulated by the Health Insurance Portability and Accountability Act, the Payment Card Industry Data Security Standard, the Gramm-Leach-Bliley Act, and other U.S. federal, state or foreign laws applying specific security standards; or (xi) knowingly permit any third party to do any of the foregoing. You will promptly notify Anysphere of any unauthorized use that comes to your attention and provide reasonable cooperation to prevent and terminate such use to the extent it is within your control.

1.6. Beta Services. From time to time, Anysphere may make Beta Services available to you. Beta Services shall be clearly designated as beta, pilot, limited release, non-production, early access, evaluation or a similar description. You may choose to use or not use such Beta Services in your sole discretion. Beta Services are intended for evaluation purposes and not for production use, are not fully supported, and may be subject to additional terms that may be presented to you. Beta Services are provided on an "as-is" and "as available" basis without any warranty, support, maintenance, or storage of any kind. Anysphere may discontinue Beta Services at any time in its sole discretion and may never make them generally available. ANYSPHERE SHALL HAVE NO LIABILITY WHATSOEVER ARISING OUT OF OR IN CONNECTION WITH BETA SERVICES - USE AT YOUR OWN RISK.

1.7. Auto-Code Execution. The Service may include a feature that automatically executes code Suggestions without manual review or confirmation, and will be clearly labeled accordingly. By enabling this feature, you acknowledge and agree that you are assuming all risks associated with the execution of automatically generated code, including without limitation system outages, software defects, data loss, and security vulnerabilities. YOU ARE SOLELY RESPONSIBLE FOR ANY IMPACT RESULTING FROM USE OF THIS FEATURE, INCLUDING ENSURING APPROPRIATE SAFEGUARDS, TESTING, AND MONITORING ARE IN PLACE.

2. Eligibility. You must be at least the age of majority in your jurisdiction (e.g., 18 years old in the United States) or 18 years old, whichever is higher, to use the Service. By agreeing to these Terms, you represent and warrant to us that: (a) you are at least 18 years old or the age of majority in your jurisdiction, whichever is higher; (b) you have not previously been suspended or removed from the Service; and (c) your registration and use of the Service is in compliance with all applicable laws in your region.

3. Account Registration and Access. To access most features of the Service, you must register for an account. When you register for an account, you may be required to provide us with information about yourself, such as your name, email address, or other contact information. You agree that the information you provide to us is accurate, complete, and not misleading, and that you will keep it accurate and up to date at all times. When you register, you will be asked to create a password. You are solely responsible for maintaining the confidentiality of your account and password, and you accept responsibility for all activities that occur under your account. If you believe that your account is no longer secure, you must immediately notify us at hi@cursor.com.

4. Payment Terms

4.1. Paid Services. Certain features of the Service may require you to pay fees. Before you pay any fees, you will have an opportunity to review and accept the fees that you will be charged. Unless otherwise specifically provided for in these Terms, all fees are in U.S. Dollars and are non-refundable, except as required by law. The pricing and payment terms in this Section 4 are subject to any pricing and payment terms set forth in an Order Form.

4.2. Pricing. Anysphere reserves the right to determine pricing for the Service. Anysphere will make reasonable efforts to keep pricing information published on the Service up to date. We encourage you to check our pricing page periodically for current pricing information. Anysphere may change the fees for any feature of the Service, including additional fees or charges, if Anysphere gives you advance notice of changes before they apply through the Service user interface, a pop-up notice, email, or through other reasonable means. Your continued

use of the Service after the price change becomes effective constitutes your agreement to pay the changed amount. You will be responsible for all taxes associated with the Service, other than taxes based on Anysphere's net income. Anysphere, at its sole discretion, may make promotional offers with different features and different pricing to any of Anysphere's customers. These promotional offers, unless made to you, will not apply to your offer or these Terms.

4.3. Payment Processing. To facilitate payment for the Service via bank account, credit card, or debit card, we use Stripe, Inc. and its affiliates ("**Stripe**"), a third-party payment processor. These payment processing services are provided by Stripe and are subject to the Stripe terms and conditions and other policies available at https://stripe.com/legal and Stripe's Global Privacy Policy available at: https://stripe.com/privacy (collectively, the "**Stripe Agreements**"). By agreeing to these Terms, users that use the payment functions of the Service also agree to be bound by the Stripe Agreements, as the same may be modified by Stripe from time to time. You hereby authorize Stripe to store and continue billing your specified payment method even after such payment method has expired, to avoid interruptions in payment for your use of the Service. Please contact Stripe for more information. Anysphere assumes no liability or responsibility for any payments you make through the Service.

4.4. Subscription Service. The Service may include certain subscription-based plans with automatically recurring payments for periodic charges ("**Subscription Service**"). The "**Subscription Billing Date**" is the date when you purchase your first subscription to the Service. The Subscription Service will begin on the Subscription Billing Date and continue for the subscription period that you select on your account (such period, the "**Initial Subscription Period**"), and will automatically renew for successive periods of the same duration as the Initial Subscription Period (the Initial Subscription Period and each such renewal period, each a "**Subscription Period**") unless you cancel the Subscription Service or we terminate it. If you activate a Subscription Service, then you authorize Anysphere or its third-party payment processors to periodically charge, on a going-forward basis and until cancellation of the Subscription Service, all accrued sums on or before the payment due date. Information on the recurring fee charged by Anysphere for access to the Subscription Service during each Subscription Period ("**Subscription Fee**"), is available on our Pricing Page, or otherwise described in the Service. Your account will be charged automatically on the Subscription Billing Date and thereafter on the renewal date of your Subscription Service for all applicable fees and taxes for the next Subscription Period. You must cancel your Subscription Service at least 24 hours before it renews in order to avoid billing of the next periodic Subscription Fee to your account. Anysphere or its third-party payment processor will bill the periodic Subscription Fee to the payment method associated with your account or that you otherwise provide to us. You may cancel the Subscription Service by using the cancellation functionality made available in your billing menu or by contacting us at hi@cursor.com. YOUR CANCELLATION MUST BE RECEIVED BEFORE THE RENEWAL DATE IN ORDER TO AVOID CHARGE FOR THE NEXT SUBSCRIPTION PERIOD.

4.5. Add-On and Usage-Based Features. You may purchase additional products, services or features that are not individually essential for the functioning of the Service, but that Anysphere makes available to its users for enhanced capabilities on a supplemental basis, including usage-based pricing features that are described in the Service ("**Add-Ons**"). Add-Ons are deemed part of the Service and governed by these Terms. Fees for Add-Ons include our model-based pricing features, available here, or as otherwise described in the Service.

4.6. Delinquent Accounts. Anysphere may suspend or terminate access to the Service, including fee-based portions of the Service, for any account for which any amount is due but unpaid. In addition to the amount due for the Service, a delinquent account will be charged with fees or charges that are incidental to any chargeback or collection of any unpaid amount, including collection fees. If your payment method is no longer valid at the time a renewal Subscription Fee is due, then Anysphere reserves the right to delete your account and any information associated with your account without any liability to you.

5. Ownership and Licenses

5.1. Service. Anysphere and its licensors shall own and retain all right, title and interest in and to the Service, all improvements, enhancements or modifications thereto, and all intellectual property rights associated with the foregoing. There are no implied licenses in these Terms and Anysphere reserves all rights to the Service not granted in these Terms.

5.2. Feedback. We appreciate the thoughts and comments from our users. If you choose to provide input and suggestions regarding existing functionalities, problems with or proposed modifications or improvements to the Service ("**Feedback**"), then you grant Anysphere the right to exploit the Feedback without restriction or compensation to you.

5.3. Content. You retain all of your right, title, and interest that you have in Inputs, and Anysphere hereby assigns to you all of our right, title, and interest if any in and to any Suggestions.

5.4. Usage Data. Anysphere may: (i) collect, analyze, and otherwise process Usage Data internally for its business purposes, including for security and analytics, to enhance the Service, and for other development and corrective purposes; and (ii) disclose Usage Data to third parties only in an aggregated and/or de-identified form and in a manner that does not identify you. "Usage Data" means technical logs, data, and learnings about Customer's use of and interactions with the Service, but excludes Content.

6. Third-Party Services. The Service may include or incorporate optional third-party services, including without limitation extensions and plug-ins that you may install yourself ("**Third-Party Services**"). Anysphere will clearly indicate such content or features as Third-Party Services via prominent notices or descriptions in the Service. If you elect, in your sole discretion, to access or use a Third-Party Service, your access and use of the Third-Party Service is subject to the terms provided by that Third-Party Service, and you remain responsible for complying with those terms. Anysphere does not make any representations or warranties with respect to Third-Party Services.

7. Communications. We may send you emails concerning our products and services, as well as those of third parties. You may opt out of promotional emails by using any unsubscribe or similar functionality or instructions in the promotional email.

8. Modification of Terms. We may, from time to time, change these Terms. Please check these Terms periodically for changes. If we make any material modifications, we will notify you by updating the date at the top of these Terms and by maintaining a current version of these Terms on this page. All modifications will be effective when they are posted, and your continued accessing or use of the Service will serve as confirmation of your acceptance of those modifications. If you do not agree to the modified Terms, then you must discontinue your use of the Service.

9. Termination. You may stop accessing the Services at any time. We reserve the right to modify, suspend, or discontinue the Services or your access to the Services, in whole or in part, at any time without notice to you. Although we will strive to provide you with reasonable advance notice if we stop offering a Service, there may be urgent situations, such as preventing abuse or addressing security issues or responding to legal requirements, where providing advance notice is not feasible. We will not be liable for any change to or any suspension or discontinuation of the Services or your access to them. If you have a Subscription Service, we may terminate the Subscription Service at any time for any other reason. If we exercise this right, we will refund you on a pro rata basis the fees you paid for the remaining portion of your Subscription Service after termination, provided that if we terminate your access to the Service due to a violation of these Terms, you will not be entitled to any refund. We also may terminate your account if it has been inactive for over a year and you do not have a paid account. If we do, we will provide you with advance notice. Upon termination of these Terms, a Subscription Service, or your access to the Service, we may at our option delete any Content or other data associated with your account. Sections 1.5, 4 (with respect to fees outstanding as of such expiration or termination), 5, and 13-17 will survive any expiration or termination of our Terms or a Subscription Service. If you believe we have suspended or terminated your account in error, you can file an appeal with us by contacting hi@cursor.com.

10. Modification of the Service. Anysphere may modify or discontinue all or any portion of the Service at any time (including by limiting or discontinuing certain features of the Service), temporarily or permanently, without notice to you. Anysphere will have no liability for any change to the Service, including any paid-for functionalities of the Service, or any suspension or termination of your access to or use of the Service. You should retain copies of any Content as needed so that you have access in the event the Service is modified and you lose access to such Content.

11. Copyright complaints. If you believe that your intellectual property rights have been infringed, please send notice to legal@cursor.com. We may delete or disable content that we believe violates these Terms or is alleged to be infringing and will terminate accounts of repeat infringers where appropriate. Written claims concerning copyright infringement must include the following information:

- A physical or electronic signature of the person authorized to act on behalf of the owner of the copyright interest.
- A description of the copyrighted work that you claim has been infringed upon.
- A description of where the allegedly infringing material is located in the Service so we can find it.
- Your address, telephone number, and e-mail address.
- A statement by you that you have a good-faith belief that the disputed use is not authorized by the copyright owner, its agent, or the law.
- A statement by you that the above information in your notice is accurate and, under penalty of perjury, that you are the copyright owner or authorized to act on the copyright owner's behalf.

12. Privacy. Please read the Anysphere Privacy Policy ("**Privacy Policy**") carefully for information relating to our collection, use, storage, and disclosure of your personal data.

13. Indemnity. To the fullest extent permitted by law, you are responsible for your use of the Service, and you will defend and indemnify Anysphere, its affiliates and each of their respective shareholders, directors, managers, members, officers, employees, consultants, and agents (together, the "**Anysphere Entities**") from and against any and all liabilities, claims, damages, expenses (including reasonable attorneys' fees), and other losses arising out of or relating to: (1) your unauthorized use of, or misuse of, the Service; (2) your violation of any portion of these Terms, any representation, warranty, or agreement referenced in these Terms, or any applicable law or regulation; and (3) any claim that your Input violates any third-party intellectual property, publicity, confidentiality, privacy, or other rights. We reserve the right, at our own expense, to assume the exclusive defense and control of any matter otherwise subject to indemnification by you (without limiting your indemnification obligations with respect to that matter), and in that case, you agree to cooperate with our defense of those claims.

14. DISCLAIMER OF WARRANTIES. THE SERVICE AND SUGGESTIONS ARE PROVIDED "AS IS" AND ON AN "AS AVAILABLE" BASIS. ANYSPHERE DISCLAIMS ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, RELATING TO THE SERVICE AND SUGGESTIONS, INCLUDING: (a) ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, QUIET ENJOYMENT, OR NON-INFRINGEMENT; AND (b) ANY WARRANTY ARISING OUT OF COURSE OF DEALING, USAGE, OR TRADE. ANYSPHERE DOES NOT WARRANT THAT THE SERVICE OR SUGGESTIONS WILL BE UNINTERRUPTED, SECURE, OR FREE OF ERRORS, VIRUSES, OR OTHER HARMFUL COMPONENTS, AND ANYSPHERE DOES NOT WARRANT THAT ANY OF THOSE ISSUES WILL BE CORRECTED. YOU AGREE THAT ANY USE OF SUGGESTIONS FROM OUR SERVICE IS AT YOUR SOLE RISK AND YOU WILL NOT RELY ON ANY SUGGESTION AS A SOURCE OF TRUTH. THE LAWS OF SOME JURISDICTIONS DO NOT ALLOW THE DISCLAIMER OF IMPLIED WARRANTIES, SO SOME OR ALL OF THESE DISCLAIMERS MAY NOT APPLY TO YOU.

15. LIMITATION OF LIABILITY

15.1. NO INDIRECT DAMAGES. TO THE FULLEST EXTENT PERMITTED BY LAW, IN NO EVENT WILL THE ANYSPHERE ENTITIES BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES (INCLUDING DAMAGES FOR LOSS OF PROFITS, GOODWILL, OR ANY OTHER INTANGIBLE LOSS) ARISING OUT OF OR RELATING TO THESE TERMS, THE SERVICE, OR CONTENT, WHETHER BASED ON WARRANTY, CONTRACT, TORT

(INCLUDING NEGLIGENCE), STATUTE, OR ANY OTHER LEGAL THEORY, AND WHETHER OR NOT ANY ANYSPHERE ENTITY HAS BEEN INFORMED OF THE POSSIBILITY OF DAMAGE.

15.2. LIABILITY CAP. TO THE FULLEST EXTENT PERMITTED BY LAW, THE AGGREGATE LIABILITY OF THE ANYSPHERE ENTITIES TO YOU FOR ALL CLAIMS, DAMAGES AND LOSSES ARISING OUT OF OR RELATING TO THESE TERMS, THE SERVICE, AND CONTENT, WHETHER IN CONTRACT, TORT, OR OTHERWISE, IS LIMITED TO THE GREATER OF: (A) THE AMOUNT YOU HAVE PAID TO ANYSPHERE FOR ACCESS TO AND USE OF THE SERVICE IN THE SIX (6) MONTHS PRIOR TO THE EVENT OR CIRCUMSTANCE GIVING RISE TO THE CLAIM OR, IF GREATER, (B) $100. THE FOREGOING LIMITATIONS ARE ESSENTIAL TO THESE TERMS, AND WE WOULD NOT OFFER THE SERVICE TO YOU UNDER THESE TERMS WITHOUT THESE LIMITATIONS. THE LIMITATIONS IN THIS SECTION WILL APPLY EVEN IF ANY LIMITED REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

15.3. Limitations Period. You and Anysphere agree that you must initiate any proceeding or action asserting a federal claim within one (1) year of the date of the occurrence of the event or facts giving rise to a dispute that is arising out of or related to these Terms or the Service, or if such limitation period is unenforceable under applicable law, then the shortest limitation period permitted by applicable law. You and Anysphere agree that you must initiate any proceeding or action asserting a state law claim within two (2) years of the date of the occurrence of the event or facts giving rise to a dispute that is arising out of or related to these Terms or the Service. Otherwise, to the extent permitted by applicable law, you forever waive the right to pursue any claim or cause of action, of any kind or character, based on such events or facts, and such claims or causes of action are permanently barred.

16. DISPUTE RESOLUTION

PLEASE READ THIS SECTION CAREFULLY AS IT AFFECTS YOUR RIGHTS.

16.1. Governing Law, Forum Selection, Jurisdiction, and Venue. Unless prohibited by your country’s applicable law, the laws of the State of Texas, excluding its choice of law provisions, will govern these Terms and any dispute that arises between you and Anysphere, notwithstanding any other agreement between you and us to the contrary. Notwithstanding any other agreement to the contrary, unless prohibited by your country’s applicable law, all disputes related to these Terms, the Service, or any patents – including without limitation disputes related to or arising from any Content (whether your or others' Content), or your or others' use of the Service or the complete or partial termination thereof – shall be brought and must proceed exclusively in the federal or state courts located in Wichita County or Tarrant County, Texas, United States, and you and Anysphere consent to personal jurisdiction in those forums and waive any objection as to inconvenient forum. For the avoidance of doubt, the choice of law and forum selection provisions of this paragraph shall apply regardless of whether a dispute or any claims contained therein are based in contract, tort, statute, common law, or otherwise, and the choice of law and forum selection provisions of this paragraph shall apply to pending and future disputes and shall apply to your dispute regardless of when the conduct relating to the dispute arose or occurred. The choice of law and forum selection provisions of this paragraph shall also extend to disputes involving our U.S. corporate affiliates, who consent to and are intended third-party beneficiaries of this paragraph.

16.2. Prohibition of Class and Representative Actions and Non-Individualized Relief. YOU AND ANYSPHERE AGREE THAT EACH OF US MAY BRING CLAIMS AGAINST THE OTHER ONLY ON AN INDIVIDUAL BASIS AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE ACTION OR PROCEEDING. UNLESS BOTH YOU AND ANYSPHERE AGREE OTHERWISE, YOU AND ANYSPHERE AGREE NOT TO SEEK TO CONSOLIDATE OR JOIN MORE THAN ONE PERSON’S OR PARTY’S CLAIMS AND NOT TO OTHERWISE SEEK ANY FORM OF A CONSOLIDATED, REPRESENTATIVE, OR CLASS PROCEEDING. ALSO, YOU AND ANYSPHERE AGREE TO SEEK RELIEF (INCLUDING MONETARY, INJUNCTIVE, AND DECLARATORY RELIEF) ONLY IN FAVOR OF THE INDIVIDUAL PARTY SEEKING RELIEF AND ONLY TO THE EXTENT NECESSARY TO PROVIDE RELIEF NECESSITATED BY THAT PARTY’S INDIVIDUAL CLAIM(S), EXCEPT THAT YOU AND ANYSPHERE MAY PURSUE A CLAIM FOR PUBLIC INJUNCTIVE RELIEF

UNDER APPLICABLE LAW TO THE EXTENT REQUIRED FOR THE ENFORCEABILITY OF THIS PROVISION.

16.3. Dispute Resolution. Anysphere is always interested in resolving disputes amicably and efficiently, and most customer concerns can be resolved quickly and to the customer's satisfaction by emailing legal@cursor.com. In the event of a dispute, claim or controversy relating to this Agreement ("**Dispute**"), the Parties will first attempt in good faith to informally resolve the matter. The Party raising the Dispute must notify the other party ("**Dispute Notice**"), who will have thirty (30) days from the date of delivery of the Dispute Notice to propose a time for the Parties to meet to attempt to resolve the Dispute. If the Parties have not resolved the dispute within forty-five (45) days of delivery of the Dispute Notice, either Party may seek to resolve the dispute through litigation as stated in Section 16.1.

17. Miscellaneous

17.1. General. These Terms, including the Privacy Policy, and any other agreements expressly incorporated by reference into these Terms, are the entire and exclusive understanding and agreement between you and Anysphere regarding your use of the Service. You may not assign or transfer these Terms or your rights under these Terms, in whole or in part, by operation of law or otherwise, without our prior written consent. We may assign these Terms and all rights granted under these Terms, including with respect to your Content, at any time without notice or consent. The failure to require performance of any provision will not affect our right to require performance at any other time after that, nor will a waiver by us of any breach or default of these Terms, or any provision of these Terms, be a waiver of any subsequent breach or default or a waiver of the provision itself. If any part of these Terms is held to be invalid or unenforceable, then the unenforceable part will be given effect to the greatest extent possible, and the remaining parts will remain in full force and effect.

17.2. Consent to Electronic Communications. By using the Service, you consent to receiving certain electronic communications from us as further described in our Privacy Policy. Please read our Privacy Policy to learn more about our electronic communications practices. You agree that any notices, agreements, disclosures, or other communications that we send to you electronically will satisfy any legal communication requirements, including that those communications be in writing.

17.3. Contact Information. You may contact us by sending correspondence to Anysphere, Inc., 2261 Market Street STE 86466, San Francisco, CA 94114, or by emailing us at hi@cursor.com.

17.4. No Support. We are under no obligation to provide support for the Service. In instances where we may offer support, the support will be subject to published policies.

17.5. Export and Trade Controls. You must comply with all applicable trade laws, including sanctions and export control laws. The Service may not be used in or for the benefit of, or exported or re-exported to (a) any U.S. embargoed country or territory or (b) any individual or entity with whom dealings are prohibited or restricted under applicable trade laws. Our Service may not be used for any end use prohibited by applicable trade laws, and your Input may not include material or information that requires a government license for release or export.
